Sir,

Subject:— Budget estimates - 1941-1942 - Anekal Town Municipality - Sanction of -

I have the honour to forward herewith the budget estimates of Anekal Town Municipality for the year 1941-42 together with the required statements and the resolution of the Municipal Council duly approving of them

The Municipal Council anticipates an income and expenditure of Rs.12,040/- and Rs.11,052/- respectively during the year 1941-42 as against the sanctioned and revised estimates of Rs.12,015/- and Rs.10,675/- and Rs.10,795/- and Rs.10,607/- respectively during the year 1940-41.

Income:- Under (2) taxes on buildings, an income of Rs.4,000/- is anticipated as against the sanctioned and revised estimates of Rs.4,000/- and Rs.3,000/- during 1940-41. It is explained that the expectation of the increase is due to better collections. But, as the accounts for 1939-40 show only Rs.2,409-5-6, the income under this head may be reduced to Rs.3,000/-.

Under (5) tolls, an income of Rs.2,000/- is anticipated as against the sanctioned and revised estimates of Rs.1,400/- and Rs.1,800/- respectively during 1940-41. It is stated that the actuals up to the end of March 1941 are Rs.1851-6-0 as the toll-gates are worked departmentally. However the income under this head may be reduced to Rs.1,800/- (revised estimated figure).

the other items of income may be retained.

EXPENDITURE:- Under A (2) (d), a sum of Rs.100/- provided towards the purchase of furniture as against the sanctioned and revised estimates of Rs.50/- during 1940-41. In view of the slender resources of the Council, the provision under this head may be reduced to Rs.50/-. -50

Under A (2) (f) miscellaneous, a sum of Rs.25/- provided towards the audit charges. As seen from the list of contributions due to Government, there is an arrears Rs.21-14-0 under this head. Hence, the provision may be enhanced to Rs.47/- to adjust the arrears as well as current year's charges. +22

Under A (3) medical relief, a sum of Rs.900/- has been provided towards medical contribution during the current year. But, a sum of Rs.1,160/- is already in arrears and the contribution for 1941-42 is Rs.920/- as seen from the list of contributions due to Government. Hence, the provision under this head may be raised to Rs.2,080/- in order to clear the entire arrears along with the current year's contribution. +1180

The other items of expenditure may be retained.

With the above modifications, the financial condition of the Municipality during 1941-42 will be as follows:-

Opening balance on 1-7-41	..	1,627-0-0
Receipts	..	11,345-0-0
TOTAL	...	12,872-0-0
Expenditure	...	12,254-0-0
Closing balance	...	618-0-0

The normal expenditure is slightly higher than the normal income on account of provision made in the budget for the adjustment of the arrears of medical contribution of Rs.1,160/-. The closing balance is below the prescribed minimum and the Amildar President 7

of the Municipality will be instructed to take effective steps for the collection of the arrears and increase the finances of the Municipality.

I request you to be so good as to obtain the sanction of Government to the Budget estimates for the year 1941-42 with the above modifications.

I have the honour to be,
Sir,
Your most obedient servant,
